PARENT PARTICIPATION

Our children's religious education program is a predominantly volunteer-run program. In order to share that responsibility equally among parents it is necessary that each family be open to volunteering several times a year. There are three categories to choose from: classroom, storytelling and special events.

Please choose at least one volunteer area regardless of how many children are registered in the program or frequency of attendance:

•Classroom

a. Lead Teacher

Delivers pre-written lessons and encourages discussion with the help of classroom assistants.

b. Teaching Assistant

Two assistants are required in every classroom for safety, classroom control, and assistance with projects, stories and discussion.

•Storytelling

Learn to choose, adapt, read, tell and present a “story for all ages” during service.

•Special Events

Assist with event planning: logistics, details and day of help

Please indicate in which of these categories you would like to v:

Is your child in special education? Yes No

If so, please arrange a meeting with the Director of Family Ministry. We would like to have as much information as possible to be able to meet your child’s needs as best as we can.
